2019–2020 Catalog

UNDERGRADUATE
GRADUATE

FROM THE PRESIDENT

Greetings from West Coast Baptist College! On behalf of our faculty and staff, thank you for considering WCBC.

During this academic school year, WCBC celebrates its 25th year of training laborers for the Lord's harvest. Over 2800 alumni now serve the Lord literally around the world as pastors, missionaries, teachers, and in other ministry-related positions. To God be the glory – WCBC is just as committed to its core mission today as we were in those early, pioneering days.

God has blessed WCBC with a godly, dedicated, experienced faculty with over 1000 combined years in Christian service and ministry. These men and women are true servant leaders who delight in the cause of training, encouraging, and mentoring WCBC students and alumni. If you have questions as you review this catalog, our team stands ready to assist in any way we can.

At WCBC, we are committed to fundamental Bible doctrines, our Baptist heritage, and personal soulwinning. Here, we value the importance of strong academics integrated with hands-on ministry mentoring in a dynamic local church setting. As a student, you are provided tremendous opportunities to labor alongside seasoned servants of the Lord.

Nearly two thousand years ago, Jesus instructed His disciples to “Lift up your eyes, and look on the field; for they are white already to harvest” (John 4:35). In our day, the harvest has never been more plentiful or the fields more in need of trained laborers.

If your desire is to serve the Lord, then we invite you to join us here in Southern California's high desert as we continue to train laborers for the harvest. We exist to develop leaders with a heart for God who are committed to the Word, compassionate toward the lost, and compelled to change this world for Christ. It would be our privilege to have you join us in this endeavor!

Sincerely,

Dr. Paul Chappell
President & CEO

FROM THE EXECUTIVE VICE-PRESIDENT

West Coast Baptist College was started in 1995 for the purpose of training laborers for the Lord's harvest. More than twenty years later, we are more passionate than ever about that mission. Over 2,000 graduates now circle the globe, but the need is still obvious as the fields continue to be white unto harvest. With radical ideology on one hand and religious apathy on the other, it is time for this generation of Christian young people to step up to the plate and make a difference for Jesus Christ in this world.

Training is absolutely essential for that to happen. The Bible exhorts us to study so that we can rightly divide the word of truth and give answers to those in spiritual darkness. In your four years here at West Coast, you will receive outstanding academic instruction in the classroom by a committed faculty in the environment of a growing and vibrant local New Testament church. Through the myriads of ministries of Lancaster Baptist Church, you will gain hands on experience in what you are learning in the classroom and be ready upon graduation to fulfill God's purpose for your life.

As you look through the pages of this catalog, I hope you will look beyond them to the fields of the world. God can and will use a surrendered life. Will you invest your life in a cause bigger than yourself? Will you yield to God's plan? Will you make a difference for eternity? One day you will stand before the One who died for you. He will not ask you, "What will you do with your life?" It will be too late to answer that question. You must give Him an answer now. I'm praying you will decide to prepare for a lifetime of ministry here at West Coast Baptist College. I'm confident you will never regret that decision in eternity.

Sincerely,

A handwritten signature in black ink, appearing to read "John Goetsch". The signature is fluid and cursive, with a large loop at the end.

MISSION STATEMENT

TRAINING LABORERS FOR HIS HARVEST

West Coast Baptist College is committed to developing leaders with a heart for God who are committed to the Word, compassionate toward the lost, and compelled to change communities for Christ in the twenty-first century.

The mission of West Coast Baptist College is to provide a balanced Christian education, which will fully equip born-again people with Bible doctrine that is distinctively Baptist, and also to provide practical hands-on training through the local church, which will prepare each individual to effectively reach and impact the world with the Gospel of Jesus Christ.

INSTITUTIONAL LEARNING OUTCOMES

West Coast Baptist College exists to develop the head, the heart, and the hands for ministry. As such, the Institutional Learning Outcomes are the following:

Intellectual—The Head (Thinking)

1. Demonstrate comprehension in major areas of Bible knowledge and doctrine
2. Apply knowledge in practical and relevant ways to their chosen field

Spiritual—The Heart (Being)

3. Effectively communicate the gospel to unbelievers
4. Regularly practice authentic spiritual disciplines

Ministerial—The Hands (Doing)

5. Effectively serve in ministry through the local church
6. Engage in service to the community in response to the Great Commission

PHILOSOPHY OF EDUCATION

A Christian philosophy of education is centered on the belief that God's truth has been revealed through creation and the Bible. Such a philosophy stands in stark contrast to the commonly-accepted secular philosophy of education with its humanistic roots.

Based on 2 Timothy 3:16-17, all curriculum content and instructional methods are to be chosen in line with purposes and objectives taught within the Scriptures. *"All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works."*—2 Timothy 3:16-17

This Christian philosophy of education includes the following characteristics:

Content should be centered on the scriptural truth of Philippians 4:8—*Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.*

Methodology should be teacher-centered wherein the instructor imparts knowledge and the students learn that knowledge through a variety of learning methods. Such methods should be spiritual, varied, graded, unified, integrated, comprehensive, flexible, personal, social, and biblical. Deuteronomy 6:7—*And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.*

The instructor at West Coast Baptist College is a role model with biblical thinking and reasoning; he/she is considered an authority with extensive knowledge of Scripture and subject matter. The goal of instruction is to impart biblical knowledge while living a life of consecration and service to the Lord.

Education at West Coast Baptist College promotes spiritual, intellectual, and ministerial development which produces competent and confident adults who become useful Christian servants. Every subject is taught from a biblical perspective with caution to follow the challenges of Colossians 2:8—*Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ.*

HISTORY

The history of West Coast Baptist College began in July of 1986 when our pastor, Paul Chappell, came to the Antelope Valley in the Mojave Desert of Southern California. He was driven by a passion for lost souls and a vision of what God would do in Lancaster. The church began to grow through an aggressive soulwinning program with new converts being grounded with the Bible-centered preaching of Pastor Chappell.

In the spring of 1988, the church raised an initial \$50,000 in a “Giving by Faith” banquet. This money provided the exact amount needed for the down payment on its first 20 acres of property located on the east side of town.

The church and its ministries continued to expand, adding a bus ministry, several adult Bible classes, a radio ministry, a Spanish ministry, a Christian school, and a Bible institute. In December of 1993, the church moved to a new twenty-one acre site.

Today, the church owns eighty-three acres of property which have been master-planned for the church and college ministry.

Dr. Chappell had a great vision for the future work of Christ. Included in this vision was to one day start a Bible college to provide a place for the church’s

people to receive a Bible college education and to go forth into God's harvest field while there was still time to serve Christ. West Coast Baptist College opened its doors in September of 1995 to an energetic student body desiring to fulfill God's leading in their lives. Now, after twenty-one years, over two thousand graduates circle the globe with hundreds of others training for ministry.

LOCATION AND IDENTITY

West Coast Baptist College is located on the beautiful eighty-three acre site of Lancaster Baptist Church. The college is under the spiritual authority and guidance of Lancaster Baptist Church.

The college facility is in the Antelope Valley, which is part of the high desert region of the Mojave Desert, located seventy miles north of Los Angeles. It is are part of a growing desert community of nearly 500,000 residents and is within 20 miles of Edwards Air Force Base.

Our present facilities include a church auditorium with seating for 1,806, which is used for college chapels; the West Wing with 8 classrooms and seating for over 350 students; the North Auditorium with seating for 700; the Revels classroom building with over 20 state-of-the-art classrooms, computer, science, home economics, and piano labs, as well as a bookstore and coffee shop; an elementary and high school facility; a Student Life Center with a full-sized gymnasium and dining hall; an athletic field for baseball and football; two sand volleyball courts; a miniature golf course; twelve dormitories; a library building; a welcome center; and the Walther Center, a student athletic facility.

WCBC is dedicated to providing comfortable dorms, adequate classroom space, and the amenities that make college life profitable and enjoyable.

VALUES

God's purpose for every born-again Christian is to bring honor and glory to Jesus Christ with their life. *"Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created"*—Revelation 4:11. Thus, West Coast Baptist College is dedicated to creating a campus atmosphere that in every way pleases the Lord.

Our curriculum is structured to give the student a balanced education with a concentration on Bible doctrine and our Baptist distinctives. Instructors challenge the students to think through the principles of God's Word so that they are ready to give an answer on the issues of the day. While having a head knowledge of the Bible is a great start, it is imperative that each student apply that truth to their own character and convictions. West Coast Baptist College students are challenged to not only know the truth, but to live that truth in every area of their lives.

Each activity and event at the college is designed to create an atmosphere for spiritual growth. The rules of the college not only protect the student from evil, but guide them to a spiritual maturity that allows them to be a vessel that God can use. Living godly is a pattern that is developed not only during ministry

times, but in every aspect of college life. Spiritual decisions can be made on a ball field as well as at the altar following a chapel message.

Our approach in teaching is coupled with the dynamic of the local church which provides not only the model for twenty-first century ministry, but also provides ministry opportunities on an everyday basis, which allow for encouragement through mentoring and a chance to learn the ministry by actually doing it. Throughout their college career, students not only see but become personally involved in every aspect of the Great Commission. Thus, when students graduate they are not testing these Bible principles of ministry for the first time, but have been able to prove them personally in hands-on ministry.

The Lord Jesus Christ declared that the fields are white unto harvest and petitions us to pray for laborers. It is the privilege of West Coast Baptist College to partner with parents and pastors from around the world in preparing young people to go out to the ends of the world and win souls, baptize the converts, and disciple believers. With proper biblical training and the power of God upon their lives, West Coast graduates will make an impact on the world for Christ.

DISTINCTIVES

Dr. Chappell and the Lancaster Baptist Church have not only exemplified a love for our country, but also have established one of the leading churches in the nation with regard to worldwide missions program. Dr. Chappell is highly respected across the nation by his peers and associates as a man of insight and godly wisdom and as a man with God's hand upon his life in a unique way.

Lancaster Baptist is a spiritually dynamic church. As a result, there are many opportunities for practical ministry experience for those students attending West Coast Baptist College. The following statements will further identify the distinctiveness of Lancaster Baptist Church.

1. Lancaster Baptist Church is a non-charismatic church. It is a Baptist church that believes in submitting to the Bible's authority in all matters of faith and practice.
2. Lancaster Baptist Church uses only the King James Version in its English-speaking services.
3. Lancaster Baptist Church believes in the importance of preaching as well as teaching from the Word of God.
4. Lancaster Baptist Church is opposed to the Ecumenical Movement and believes that the many inter-denominational meetings are compromising doctrine for the sake of "unity."
5. Lancaster Baptist Church believes in and practices personal soulwinning.

Education

Lancaster Baptist Church and West Coast Baptist College believe the purpose of Christian Education is "to develop the mind of Christ." We stand in opposition

to atheism and secular humanism which have invaded the educational systems of America as a whole. We believe, according to Romans 1, it is a sin to serve and worship the creation more than the Creator. We believe the foolishness of God is wiser than men (1 Corinthians 1:25). We further believe the natural man cannot receive the things of the Spirit of God (1 Corinthians 2:14). Therefore, our goal in Christian Education is to develop the hearts and minds of born-again Christians both academically and spiritually.

Administration

As an integrated, auxiliary ministry of Lancaster Baptist Church, the West Coast Baptist College will be held directly accountable to the pastor and the membership of the church. The staff of Lancaster Baptist Church will be intricately involved in the daily affairs of the student body. The college vice presidents, administrators, faculty, and staff are all faithful members of Lancaster Baptist Church.

Although the West Coast Baptist College is not in subjection to a board of pastors outside the Lancaster Baptist Church, it is our intent to participate in a spirit of teamwork with other independent Baptist pastors for the purpose of developing the overall program of this ministry.

Philosophy

Concerning Christian Living

The following is a list of some of the distinctive philosophies which are emphasized at West Coast Baptist College:

1. Students at West Coast Baptist College will be taught that the Christian life is a holy life.
2. Students will be taught the necessity of being separated unto the Lord and thus away from the world.
3. Students will be taught the importance of accountability to authority. Each student will also be taught that once he is in the ministry, every pastor and full-time worker should be accountable to the Word of God, to the Lord, and to a few of his peers who will help him and admonish him in his walk.
4. Students will learn the meaning of the words of our Lord, "My yoke is easy and my burden is light." They will be taught the joy of serving the Lord Jesus Christ and the importance of being faithful to the Lord until the end of this life, whether by death or by the rapture.

Concerning Christian Priorities

The following priorities will be taught in the order listed:

1. Our relationship with our Lord
2. Our relationship with our spouse
3. Our relationship with our children
4. Our relationship to the ministry

Concerning Christian Stewardship

Our students will be taught that they are to be stewards of their time, talents, and treasures. Therefore, classes are offered at West Coast Baptist College in the realm of personal finance and time management. Faculty and staff members are available to give individual counsel to students in managing their resources properly.

Concerning Godly Counsel

All students will be taught that the main counsel for a Christian must come from the Word of God. Furthermore, students will be taught that Jesus Christ promised the person of the Holy Spirit to every believer to guide us into truth. Finally, students will be taught that they should seek counsel from their pastor, parents, and other godly Christians when making important decisions.

Concerning Church Growth

We will not teach the pragmatic ways of compromising biblical doctrine for the sake of church growth. We will teach that there is no substitute for the preaching of the Word of God and personal soulwinning. Our students will be taught how to organize an effective Sunday school and soulwinning program, and they will be taught that all things should be done decently and in order. Furthermore, our students will be instructed in the ways of developing first-class materials and facilities for the purpose of being a good representation of the Lord Jesus Christ.

Concerning Missions

Students will be taught that it is God's will for local churches to support missionaries, both home and abroad, with a substantial percentage of the annual income of the church's offerings. Students will be taught that missionaries are to be esteemed as heroes of the faith. Students will be taught that biblical qualifications and guidelines, such as those found in 1 Timothy 3 and Titus 1, are essential for all those in Christian ministry.

Concerning Music

Students at West Coast Baptist College will be taught the importance of appreciating and growing spiritually through the means of godly music. Students will also be taught that worldly music and Christian rock music are destructive to their maturing as a Christian.

West Coast Baptist College believes in the importance of following the scriptural admonitions regarding music found in Ephesians 5; therefore, our concentration revolves around psalms, hymns, and spiritual songs.

The 250-voice choir of Lancaster Baptist Church, as well as all musical groups and instrumentalists, adhere to conservative music standards, emphasizing a distinct melody and godly music theory. Students will not, however, be taught to have a judgmental spirit of other ministries with slight variations in music style from that which is taught at West Coast Baptist College. They will be taught that a critical and judgmental spirit is as grievous to the Lord as perhaps an unintentional variation in music style by a like-minded fundamental church.

Concerning Fundamentalism

Students at West Coast Baptist College will be taught that, historically, fundamentalism is a doctrinal position based upon the Word of God. They will also be taught that historic fundamental Christians have practiced separation from churches and groups with unorthodox doctrine and worldly lifestyles. They will be taught that fundamentalism is not dependent upon any person other than the Lord Jesus Christ or upon any institution or movement.

Concerning Our Ministry

The following is a list of qualities which exemplify West Coast Baptist College's and Lancaster Baptist Church's priorities in ministry:

1. We are located in an urban area where extensive and various types of outreach opportunities are available.
2. The teaching staff is involved with daily ministry in the church which keeps them practical in their application.
3. We are a ministry of a church which has an aggressive outreach program balanced with discipleship.
4. We are part of a church that provides an exciting atmosphere with a warm, loving, and friendly church family.
5. All students who are not from Baptist churches in the nearby areas must attend Lancaster Baptist Church.
6. On-campus students are permitted to return to their home churches on weekends, but are required to meet specific Christian service requirements in their home churches. (This is limited to churches in the Southern California area.)

Concerning a Student's Home Church and Pastor

West Coast Baptist College recognizes the labor of love which each home church and pastor have displayed toward any student recommended to West Coast Baptist College. Therefore, we will promote loyalty to the home church and pastor at all times. A student who withdraws from college will be encouraged to return to his home church, unless he is gainfully employed and is planning to return to school the very next semester under the counsel of his home pastor. Furthermore, students will be encouraged to spend their summer either at home working or in summer ministries as their parents and pastor direct.

Relationship to the Parents of Students

West Coast Baptist College recognizes the privilege of continuing the education of students and individuals who have been raised in godly homes. It is the goal of West Coast Baptist College to support the counsel of godly parents in the lives of their children. It is the student's responsibility to stay accountable to his parents regarding his spiritual, academic, and financial status as a student. West Coast Baptist College will contact parents in the event of any physical or spiritual problem in the life of their child.

CODE OF ETHICAL VALUES

The ethical values of West Coast Baptist College have their origin in God Himself as found in His written Word, the Bible. 1 John 4:19 states that *“We love him, because he first loved us.”* Thus, the love of Christ constrains us to love Him and serve Him. When Jesus was asked about the greatest commandment in the law, He responded with, *“Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind...and the second is like unto it, Thou shalt love thy neighbor as thyself”*—Matthew 22:37, 39. All of our institutional standards for character, appearance, and conduct point back to this instruction by Christ. The apostle Paul added, *“Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God.”*

Administration, faculty, staff, and students are all expected to be fully engaged in the ministry of the local church either in Lancaster or an extension ministry of like faith and practice. Attendance in services, ministry involvement, and weekly soulwinning are all a regular and integral demonstration of their love for God and man. Weekly, accountability forms are turned in and reviewed to ensure that students are doers of the Word and not hearers only” (James 1:22).

Faculty and staff expectations are spelled out in the College Policies as issued by Lancaster Baptist Church and West Coast Baptist College. Students are given an Information Handbook at the beginning of each semester and are required to sign a form indicating they are in agreement with the standards and policies contained therein. Both of these documents are reviewed annually by the administration and are approved by the governing board of directors.

DOCTRINAL STATEMENT

The Bible

We believe the Bible to be the revealed Word of God, fully and verbally inspired of God. We believe the Scriptures to be the inerrant, infallible Word of God, as found within the 66 books from Genesis to Revelation. We believe that God not only inspired every word, but that He has preserved them through the ages. We believe that the King James Version is the preserved Word of God for the English-speaking people and is the only acceptable translation to be used in this church. (Psalm 12:6-7; 2 Timothy 3:15-17; 1 Peter 1:23-25; 2 Peter 1:19-21)

God

We believe in one God Who is eternal, self-existent, infinite, and immutable. We believe He has one nature, one essence, and one substance yet manifests Himself to man in three Persons: the Father, the Son, and the Holy Spirit. (Deuteronomy 6:4; 1 Timothy 1:17; James 1:17; 1 John 4:4)

Jesus Christ

We believe Jesus Christ to be the one and only Saviour of mankind. We believe Jesus Christ to be eternally God and to possess all the attributes of Deity. We

believe that the Lord Jesus Christ was virgin-born, that He was God incarnate, and that the purposes of the incarnation were to reveal God, to redeem men, and to rule over God's kingdom. We believe Jesus Christ never relinquished any attributes of His Deity, but merely veiled them. We believe He lived a perfect, sinless life, at the end of which He was offered for all mankind as a substitutionary sacrifice for man's sin. This sacrifice was a just payment to God for the forgiveness of sin. It was activated by His death through the shedding of His blood on the cross and was accepted by God upon His resurrection. We believe He ascended into Heaven after His resurrection to be seated at the right hand of the Father and is now waiting for the time of receiving His church at the rapture, which is followed by His return seven years later to earth to rule and reign as King for 1,000 years. (Psalm 2:7-9; Isaiah 7:14, 9:6, 43:11; Micah 5:2; Matthew 1:25; Luke 1:26-35; John 1:1, 1:3, 14, 18, 29; Romans 3:19-25; Romans 5:6-15; Philippians 2:5-11; 1 Thessalonians 4:13-18; 1 Timothy 2:5; 1 Timothy 3:16; Titus 2:10-15; Hebrews 7:26, 9:24-28; 1 Peter 1:19, 2:2; 1 John 1:3; Revelation 20:1-6)

The Holy Spirit

We believe the Holy Spirit of God is a person who has a personality and all the attributes of Deity. We believe the Holy Spirit has always been involved in the affairs of mankind; however, we believe He has a special ministry that began at Pentecost and will continue until the rapture. This ministry includes reproving the world of sin, righteousness, and judgment. The Holy Spirit was also sent to regenerate, sanctify, seal, and fill all who have placed their faith in Jesus Christ. (Genesis 1:2; John 3:5-6; John 14:16; Acts 1:5; Acts 11:15; 1 Corinthians 3:16; 1 Corinthians 6:19-20; 1 Corinthians 12:13)

Sin and Salvation

We believe all men were born with an inherited sin nature received from our common ancestor, Adam. We believe that because of his nature, man is a sinner by choice, and he is totally incapable of reforming himself or ceasing from his sin by his own power. We believe the only hope of deliverance for man is a total change of mind concerning his sinful condition and inability to change it, and a turning to Jesus Christ as the only Saviour. We believe that only through the substitutionary sacrifice of Christ on the cross can a man be delivered from his sin. We believe that all those who reject Jesus Christ as their Saviour are already condemned to an eternity in the lake of fire. (Genesis 5:1-5; Acts 4:19; Acts 16:31; Romans 3:10-23; Romans 5:6-12; Romans 6:23; Romans 10:9-10; Ephesians 2:8-9; Titus 3:5-6; Revelation 20:11-14)

The New Testament Church

We believe that the church began with the calling out of the twelve apostles by Jesus Christ and was empowered on the day of Pentecost. We believe the local church is composed of members who have been saved and baptized according to the command of Christ, and have voluntarily united together for the purposes

of worship, fellowship, service, and observance of the ordinances of baptism and communion. We believe all true believers will be taken up at the rapture, just prior to the tribulation. (Matthew 16:16-18; Acts 1:15; Acts 2:41-43; Acts 11:15; Acts 20:28; 1 Corinthians 15: 51-58; Ephesians 1:12-14; Ephesians 5:25-30; 1 Thessalonians 4:13-18; 1 Timothy 3:4-15)

The Last Days

We believe in the literal interpretation of the Scriptures in their grammatical and historical context. We believe in the pre-tribulational rapture of the church saints, followed by the seven-year tribulation. We believe in the pre-millennial return of Christ to the earth and His literal rule of 1,000 years. Following this one-thousand-year reign is the Great White Throne judgment and then the new heaven and new earth. (1 Corinthians 15:51-58; 1 Thessalonians 4:13-18; 1 Thessalonians 5:1-9; Revelation 19-22)

Separation

We believe that all the saved should live in such a manner as not to bring reproach upon their Saviour and Lord. God commands His people to separate from all religious apostasy, all worldly and sinful pleasures, practices, and associations; and to refrain from all immodest and immoderate appearances, piercings, and bodily markings. (Romans 12:1-2; 14:13; 2 Corinthians 6:14-7:1; 2 Timothy 3:1-5; 1 John 2:15-17; 2 John 9-11; Leviticus 19:28; 1 Corinthians 6:19-20)

Creation

We believe that God created the universe in six literal, 24-hour periods. We reject evolution, the gap theory, the day-age theory, theistic evolution, and intelligent design not attributed to God as unscriptural theories of origin. (Genesis 1-2; Exodus 20:11)

Civil Government

We believe that God has ordained and created all authority consisting of three basic institutions: 1) the home, 2) the church, and 3) the state. Every person is subject to these authorities, but all (including the authorities themselves) are answerable to God and governed by His Word. God has given each institution specific Biblical responsibilities and balanced these responsibilities with the understanding that no institution has the right to infringe upon the other. The home, the church, and the state are equal and sovereign in their respective Biblically-assigned spheres of responsibility under God. (Romans 13:1-7; Ephesians 5:22-24; Hebrews 13:17; 1 Peter 2:13-14)

Human Sexuality

We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman. We believe that any form (of homosexuality, lesbianism, bisexuality, bestiality, incest,

fornication, adultery, and pornography) is a sinful perversion of God's gift of sex. We believe that God disapproves of and forbids any attempt to alter one's gender by surgery or appearance. (Genesis 2:24, 19:5, 13, 26:8-9; Leviticus 18:1-30; Romans 1: 26-29; 1 Corinthians 5:1; 6:9; 1 Thessalonians 4:1-8; Hebrews 13:4)

We believe that the only legitimate marriage is the joining of one man and one woman. (Genesis 2:24; Romans 7:2; 1 Corinthians 7:10; Ephesians 5:22-23)

Family Relationships

We believe that men and women are spiritually equal in position before God but that God has ordained distinct and separate spiritual functions for men and women in the home and in the church. The husband is to be the leader of the home, and men are to be the leaders (pastors and deacons) of the church. Accordingly, only men are eligible for licensure and ordination by the church. (Galatians 3:28; Colossians 3:18; 1 Timothy 2:8-15; 3:4-5, 12)

We believe that God has ordained the family as the foundational institution of human society. The husband is to love his wife as Christ loves the church. The wife is to submit herself to the Scriptural leadership of her husband as the church submits to the headship of Christ. Children are an heritage from the Lord. Parents are responsible for teaching their children spiritual and moral values and leading them, through consistent lifestyle example and appropriate discipline, including Scriptural corporal correction. (Genesis 1:26-28; Exodus 20:12; Deuteronomy 6:4-9; Psalm 127:3-5; Proverbs 19:18; 22:15; 23:13-14; Mark 10:6-12; 1 Corinthians 7:1-16; Ephesians 5:21-33; 6:1-4, Colossians 3:18-21; Hebrews 13:4; 1 Peter 3:1-7)

Divorce and Remarriage

We believe that God disapproves of and forbids divorce and intends marriage to last until one of the spouses dies. Although divorced and remarried persons or divorced persons may hold positions of service in the church and be greatly used of God for Christian service, they may not be considered for the offices of pastor or deacon or those administrative positions within the church that would consist of pastoral duties. (Malachi 2:14-17; Matthew 19:3-12; Romans 7:1-3; 1 Timothy 3:2, 12; Titus 1:6)

Abortion

We believe that human life begins at conception and that the unborn child is a living human being. Abortion constitutes the unjustified, unexcused taking of unborn human life. Abortion is murder. We reject any teaching that abortions of pregnancies due to rape, incest, birth defects, gender selection, birth or population control, or the physical or mental well being of the mother are acceptable. (Job 3:16; Psalm 51:5; 139:14-16; Isaiah 44:24; 49:1, 5; Jeremiah 1:5; 20:15-18; Luke 1:44)

Love

We believe that we should demonstrate love for others, not only toward fellow believers, but also toward both those who are not believers and those who oppose us. We are to deal with those who oppose us graciously, gently, patiently, and humbly. God forbids the stirring up of strife, the taking of revenge, or the threat or the use of violence as a means of resolving personal conflict or obtaining personal justice. Although God commands us to abhor sinful actions, we are to love and pray for any person who engages in such sinful actions. (Leviticus 19:18; Matthew 5:44-48; Luke 6:31; John 13:34-35; Romans 12:9-10; 17-21; 13:8-10; Philippians 2:2-4; 2 Timothy 2:24-26; Titus 3:2; 1 John 3:17-18)

Lawsuits between Believers

We believe that Christians are prohibited from bringing civil lawsuits against other Christians or the church to resolve personal disputes. We believe the church possesses all the resources necessary to resolve personal disputes between members. We do believe, however, that a Christian may seek compensation for injuries from another Christian's insurance company as long as the claim is pursued without malice or slander. (1 Corinthians 6:1-8; Ephesians 4:31-32)

Missions

We believe that God has given the church a great commission to proclaim the Gospel to all nations so that there might be a great multitude from every nation, tribe, ethnic group, and language group who believe on the Lord Jesus Christ. As ambassadors of Christ we must use all available means to go to the foreign nations and not wait for them to come to us. (Matthew 28:19-20; Mark 16:15; Luke 24:46-48; John 20:21; Acts 1:8; 2 Corinthians 5:20)

Giving

We believe that every Christian, as a steward of that portion of God's wealth entrusted to him, is obligated to support his local church financially. We believe that God has established the tithe as a basis for giving, but that every Christian should also give other offerings sacrificially and cheerfully to the support of the church, the relief of those in need, and the spread of the Gospel. We believe that a Christian relinquishes all rights to direct the use of the tithe or offering once the gift has been made. (Genesis 14:20; Proverbs 3:9-10; Acts 4:34-37; 1 Corinthians 16:2; 2 Corinthians 9:6-7; Galatians 6:6; Ephesians 4:28; 1 Timothy 5:17-18; 1 John 3:17)

Euthanasia

We believe that the direct taking of an innocent human life is a moral evil, regardless of the intention. Life is a gift of God and must be respected from conception until natural death. Thus we believe that an act or omission which, of itself or by intention, causes death in order to eliminate suffering constitutes a murder contrary to the will of God. Discontinuing medical procedures that are

extraordinary or disproportionate to the expected outcome can be a legitimate refusal of over-zealous treatment. (Exodus 20:13, 23:7; Matthew 5:21; Acts 17:28)

FOUNDATIONAL PILLARS

A college is a place for learning. We have done our best to develop strong academic standards, but we are convinced that without a Bible-based philosophy of education, academics alone will never bring revival to our land. Below are the values and principles that are emphasized here for the purpose of glorifying God.

Pillar One: Uplift Sound Doctrine

True doctrine is essential to the faith, and it is the glue that binds a church together. Not only that, but teaching and preaching it is one of the primary responsibilities of a pastor. Titus 2:1 instructs, *“Speak thou the things which become sound doctrine.”* 2 Timothy 4:2 charges, *“Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all long suffering and doctrine.”*

Because our culture is so adverse to sound doctrine (2 Timothy 4:3), this pillar will never be erected unless it is done on purpose. Any pastor can preach his opinion or teach popular psychology with verses attached to it, but a spiritual leader will thoroughly and systematically both study and teach solid doctrine.

Pillar Two: Emphasize Servant Leadership

Like Jesus’ disciples, we are quick to slip into worldly philosophies of leadership. We want to be recognized, respected, honored, and allowed exceptions. Because of our strong core of inner pride, we easily emulate the carnal leadership tendencies of others. (Even godly Christians have some carnal tendencies!)

A pastor is to be an overseer, but he should also follow the example of Christ by humbling himself to touch the lives of people. We can only develop servant leaders in the church as we choose to take up a towel and serve (John 13:14).

Pillar Three: Model Christian Teamwork

The church is a team, and Christians are the players. In God’s design, we will commit to a common focus and coordinated efforts *“striving together for the faith of the gospel”*—Philippians 1:27.

Pillar Four: Strive for Biblical Balance

If we are to avoid the tragedies of imbalanced lives or ministry, it will only be by God’s grace and with commitment to centering our focus on Christ.

Aside from the common dangers of temptation, a spiritual leader must beware of becoming issue-orientated—focusing his ministry on any topic or issue that is only a part of the message he preaches. We must all remember that our main purpose is to preach Christ and Him crucified (1 Corinthians 1:23)!

Jesus Christ must be at the center of all Christian ministry. He is to have, not just prominence, but preeminence (Colossians 1:18).

Pillar Five: Maintain Approachability

The qualifications for pastoral ministry specify that the man must not be “*selfwilled, not soon angry, not given to wine, no striker, not given to filthy lucre*” (Titus 1:7). Self-willed, angry leaders are unapproachable.

While developing young Christians in a post-Christian culture, it is vital that we maintain the approachability of Christ. Our spirit should communicate openness, warmth, and a heart for others. Those in our ministry should sense that we welcome their questions and input, rather than that we simply tolerate them as an inconvenience or a challenge to our leadership.

Pillar Six: Model Soulwinning and Discipleship

People do what people see. Thus, we cannot effectively carry out the Great Commission without personal and passionate involvement in it. Jesus commanded us, “*Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world. Amen*”—Matthew 28:19–20.

If we desire to bear fruit that remains for Christ, we must model the compassion and faithful tenacity to go after the lost. Reaching people with the gospel and discipling them in the faith should be taught, but it is only caught when it is modeled.

Pillar Seven: Cultivate Hearts for God

One of the greatest mistakes we make as leaders is believing that outward conformity leads to a spiritual heart. Sometimes we even deceive ourselves into thinking that our own standards are a measure of godliness.

Only the Holy Spirit of God can create a hunger for God and a tender responsiveness to the Word of God. We must fully yield our own hearts to the Holy Spirit and work to create an atmosphere that encourages heart-level growth.

Pillar Eight: Model Christian Living

Paul’s life was so consistent with his message that he was able to instruct young Christians, “*Those things, which ye have both learned, and received, and heard, and seen in me, do*”—Philippians 4:9.

As spiritual leaders, we must practice what we preach. Consistency in our lives gives us the ability to mentor young Christians in Christian living.

Pillar Nine: Lovingly Lead Our Families

Christian families should be healthy and spiritually vibrant. For this to happen, spiritual leaders must see their own families as a major life priority and invest significant time in strengthening their families. A spiritual leader must love his wife and work to build his marriage (Ephesians 5:25). He must teach and nurture his children, gaining their confidence and directing their hearts

toward the Lord (Ephesians 6:4). God created marriage to be between one man and one woman (Hebrews 13:4, Matthew 19:3-12); marriage is a picture of the relationship of Christ with His church (Ephesians 5:22-33).

The spiritual leader's family is so important that it is included in the qualifications for the pastorate (1 Timothy 3:4-5). It's all too easy for a spiritual leader to neglect his family in pursuit of "God's work." Truly, leading and loving his family is God's work.

Pillar Ten: Walk in the Spirit

This pillar of spiritual leadership is truly foundational. No lasting work for God will take place without the work of the Spirit of God.

No wonder we are commanded to "walk in the Spirit" (Galatians 5:16). We will only find true success in the power and leadership of the Holy Spirit. May we consistently die to self and yield to the Holy Spirit that we might unleash the power of God in our lives and ministries!

This list is not intended to be exhaustive, but we do believe it shares the heart and core values of the ministry at West Coast Baptist College. This is a local church Bible college. It is a place where students learn the truths of God's eternal Word and then experience those truths in the local body of one of America's dynamic, soulwinning churches.

STUDENT INFORMATION

GENERAL GUIDELINES

The purpose of West Coast Baptist College is to glorify God by providing not only an educational environment but also a spiritual environment for developing servant-leaders in the twenty-first century. Therefore, while a student is enrolled at West Coast Baptist College, he is required to maintain strong separation from worldliness. Every student must realize that he is a personal representative of the Lord Jesus Christ, Lancaster Baptist Church, and West Coast Baptist College. Our mission is to teach and to train students to live by the principles of God's Word and to serve in local churches.

West Coast Baptist College, as a Christian institution, expects that its students shall not only live lives that are above reproach, but that they shall also exemplify Christian unselfishness and kindness in dealings with faculty and fellow students. Attendance at West Coast Baptist College is a privilege and not a right. If, on the basis of the college's judgment, a student's spiritual response, character, or conduct is considered to be sub-Christian or sufficiently spiritually deficient as to make him unworthy of the privilege of holding a degree from this Christian college, the college retains the right to deny that student further enrollment or to deny him his degree. It is imperative that all conduct be appropriate and above reproach for Christian ladies and gentlemen. It is the desire of West Coast Baptist College to lead students to strike a biblical balance in their lives by instilling honesty, obedience, respect for others, loyalty, and integrity. West Coast Baptist College stands firmly on biblical, personal holiness. We recognize the need to rekindle the fire and zeal in each life. Each student is personally responsible for his walk with God. The policies and standards of conduct at West Coast Baptist College are designed to direct students to God's best for their lives. Our standards and rules are not an end to themselves but are another means of fulfilling the purpose of glorifying the Lord Jesus Christ.

STUDENT LIFE

For the student at West Coast, the college experience depends upon the spiritual condition of the heart. *"But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you,"*—Matthew 6:33. West Coast does not exist only to train the mind or the body, but to touch the heart. Chapel services are held regularly, and attendance is required. All church services are mandatory because it is our belief that the most important classroom is the church auditorium. Every class period begins with prayer, and devotions are held in the dormitories.

West Coast recognizes that our campus becomes the student's "home away from home." Modern and practical dormitories have been built on campus to house both male and female students. Each dormitory is equipped with lobby areas, laundry facilities, and small kitchens, containing a refrigerator and microwave to make the student's "down time" as comfortable as possible. The dorm rooms are equipped with bunk beds and dressers. Each student will need to bring twin-size bedding and a pillow, along with towels and personal toiletries. There are sufficient closet and storage areas in each room.

Students will be able to pick up their mail at the Campus Post Office. Each student is assigned a post office box when they enroll which they will keep for the duration of their student experience. Packages may be sent to new or returning students prior to the dorm opening. The packages should be clearly marked with the student's name and sent to 4010 E. Lancaster Blvd, Lancaster CA 93535. Package addresses should not include the word "Box" as this causes confusion for the United States Postal Service.

Students may have personal computers and/or laptops, space permitting. Computer labs are also available for the students' use on campus. Filtered internet access is available in the computer labs, and Wi-Fi is available in other designated and supervised areas on campus.

Two separate fitness centers are available for male and female students. Each fitness center is equipped with strength equipment and cardiovascular machines. Intramural sports are available for student participation and include the following: mixed volleyball, men's and women's basketball, men's and women's soccer, and men's football. West Coast Baptist College also offers both men's basketball and women's volleyball at the intercollegiate level.

Students are allowed to have an automobile on campus but are reminded that this possession is a privilege. Students must use designated parking areas and abide by campus rules when driving. Any traffic violation or reckless driving, on or off campus, will result in the student's loss of privilege to have an automobile on campus. Students are required to obtain a parking sticker for a nominal fee and present proof of registration and insurance along with a valid driver's license for permission to have a car on campus. Off-campus students must abide by campus rules and maintain proper insurance and registration, along with obtaining a parking permit.

The Campus Bookstore and Great Awakening Coffee Shop provide students with a resource for purchasing new and used textbooks, food, and other basic needs such as school supplies, OTC medicines, and stamps.

GENERAL DRESS GUIDELINES

One of our purposes at West Coast Baptist College is to glorify God in our attire and physical appearance. Our aim is to lead students to develop hearts for God and to conform to Christ's character. We must maintain this Christian discipline by wearing conservative and modest clothing at all times. We believe at West Coast Baptist College that the outside is an indicator of the attitude of the heart.

All dress should be conservative and conventional in style and have a neat appearance at all times. For the men, dress slacks, dress shirts, and ties are to be worn to all classes, noon meals, and to chapel on Monday and Tuesday. Dress slacks, dress shirts, ties and sport coats are to be worn for all church services, special meetings, and chapel on Wednesday, Thursday, and Friday.

The school and ministry attire for ladies is dresses or dress skirts, tops, and dress shoes with at least a ridge or a strap on the back on all days. All dresses, skirts, and culottes must touch the floor when in a kneeling position and cover the knee when sitting, standing, or walking.

EMPLOYMENT

The Work Study Program is available to full-time, dormitory students at 5 to 10 hour-per-week increments. Participants are paid employees of the college. The participant's net pay is applied to his or her account as earned. Each job is to be viewed as service to the Lord. A Work Study Employee's work performance must be satisfactory to continue in this program. Complete details for this program can be found in the Work Study Handbook. A student may apply for the Work Study Program online at wbc.edu.

West Coast Baptist College has a job placement office with a full-time Job Placement Director for those students who wish to seek off-campus employment. There is also a job shuttle available to take students to and from work within a 15-mile radius of campus.

MINISTRY OPPORTUNITIES

The college offers many opportunities for developing spiritual leadership. Our students are taught not only to study the ministry during the week but also to be involved in the ministry on the weekend. While attending West Coast, students will be exposed to the multi-faceted ministry of Lancaster Baptist Church. The staff and student body will knock on thousands of doors each week, seeking to win people to Jesus Christ. We will then fulfill the Great Commission by aggressively getting our converts to church, baptized, disciplined, and faithful to the Lord and to His house. Each student will be involved in Christian service each week in one or more of the following Christian service areas:

- Barnabas Team
- Bus Ministry
- Cactus Kids Club
- Chapel Ministry
- Deaf Ministry
- Discipleship
- Elementary Classes
- Home Church
- Kiddie Church (3-5 years)
- Korean Bible Study
- Nursery
- Nursing Home
- Parks Team
- Afterschool Bible Clubs
- Spanish Ministry
- Sunshine Class
- Youth Ministry

MARRIED STUDENTS

Married students make up a portion of the student body at West Coast and bring with them a level of maturity that serves as a good example to our single students. Affordable housing is available in the Lancaster area along with employment opportunities that allow the married student to attend classes and yet provide for their family needs. Core classes end at noon each day, which allows for afternoon and evening work.

Spouses of full-time students will receive three credit hours free per semester; however, all fees will apply. If one spouse is receiving a college scholarship,

then the other spouse must pay full tuition. Married, head-of-household, undergraduate, full-time students may enroll their children in Lancaster Baptist School at a discounted rate.

Wives of married students have regular fellowships on campus or in the home of one of our faculty members. Church fellowships, Couples Connection Groups, and college activities help the married students to feel a part of the West Coast Baptist College family during their time here in training.

DISCIPLINE

At West Coast Baptist College, we believe that the students' college years should be filled with enjoyment, and that these years will become the most memorable years of their lives. Because the spiritual climate at West Coast Baptist College is Christ-centered, each student can achieve personal discipline in his own life. The goal in the lives of students is godliness and faithfulness. The student will be directed and instructed in learning and living the principles of God's Word. He will establish daily devotions, a Scripture memorization schedule, and an effective prayer life.

The college has established a demerit system to keep a record of each student's personal conduct. There is also a system of personal accountability in place for the staff, faculty, and administration to guide students along in their growth in grace.

Students have the right to appeal the demerits given them through the Deans' Office. They have two days to dispute demerits, and seven days to dispute Focus Report demerits from the time they were given. The final decision always rests with the Disciplinary Committee.

STUDENT ADVOCACY

West Coast Baptist College has always been more concerned with producing successful graduates than with growing the size of the student body. We're grateful for every semester God allows us to invest in our students, but we look forward to the day they graduate and pursue God's calling for the rest of their lives. Our entire administrative structure is designed with the success of our students at its heart. Even so, college can be a demanding and confusing time. The Student Advocacy Office provides a one-stop-shop for helping our students to get any and all their questions answered.

Whether a student is trying to understand financial aid opportunities, dealing with personal or roommate conflicts, or adjusting to WCBC as a new student, our student success advocates are available to help. Sometimes they provide advice or clarity on who is best qualified to address a student's need. Other times, they just listen. To contact an advocate, students can stop by the Welcome Center or email advocacy@wcbc.edu.

STUDENT COMPLAINTS

The Student Advocacy Office encourages students to be familiar with the current policies and appeal processes of West Coast Baptist College. We understand that knowing all this information can seem overwhelming, which is why we recommend students first contact the Student Advocacy Office with any questions or concerns.

West Coast Baptist College has developed a formal student complaint process to ensure it receives, considers, and attempts to fully resolve all formal student concerns and complaints in a timely manner. When a student has exhausted all normal channels for expressing a concern informally, s/he can file an official complaint by submitting this form. Only content submitted on a Student Complaint Form will be considered an official complaint.

It is important to note that academic grievances cannot be filed through an official complaint but must be submitted through the academic grievances process outlined in the Student Handbook.

Official Policy for Formal Student Complaints

It is the policy of the college that all current and previous West Coast Baptist College students may submit a formal complaint for consideration at any time, that every complaint must be carefully reviewed by the relevant parties in a reasonable time frame, that the Administration will seek in good faith a full resolution of each complaint, and that all records relating to the complaint - including but not necessarily limited to the original complaint and all records documenting the investigation and attempts for resolution - will be passed to, archived, and maintained for at least five years by the Assistant to the President. A clear and thorough explanation of the formal complaint process will be included in the Student Handbook. Any complaint regarding an academic matter will be documented as received and filed, but the complaint will be handled according to the process outlined in the Academic Grievances section of the Student Handbook.

General Complaint Information

The college will take all reasonable steps to ensure the confidentiality of all complaint proceedings and the records produced therefrom. However, should any matter develop during the course of the complaint process become public knowledge, the College reserves the right to issue appropriate statements.

Only complaints submitted in writing through a Student Complaint Form will be considered formal complaints. Complaints submitted through any other forum will not be considered to be formal complaints.

It is the expectation of the college that the below process should bring a satisfactory resolution to the vast majority of formal student complaints within an average of thirty or fewer days.

Procedure for Student Complaints

1. Students are encouraged to seek a resolution to their concern(s) through an informal process of communication with the relevant departments/staff/faculty before submitting a formal student complaint. Student Complaint Forms are available online and in the offices of the Student Success Advocate, Dean of Students, and the Assistant to the President.
2. Student expresses grievance in writing through the Student Complaint Form.
3. The Assistant to the President reviews complaint and any accompanying documentation, logs that it was received, and forwards it to the relevant department leader(s) for review and resolution.
4. Department leader(s) receiving the complaint study the matter and document any meetings, records, or interactions had in this process. All such records are then sent to the Assistant to the President to be filed with the original complaint. The department leader(s) then issue a written resolution/conclusion to the grievant through email and copy the Assistant to the President and the Student Success Advocate. The Assistant to the President will log the date of initial resolution and file the conclusion with the student complaint.
 - a. If multiple departments are involved, the relevant leaders will draft a coordinated response/conclusion in writing and will send a co-signed email to the student and copy each other, the Assistant to the President, and the Student Success Advocate.
 - b. Resolutions/conclusions for anonymous complaints will simply be sent to the Assistant to the President and the Student Success Advocate to be filed.
5. If the student is not satisfied with the outcome of the initial complaint, he may request the Student Success Advocate to appeal the matter to the Executive Vice President on his behalf. Such appeals will be made in writing.
6. As soon as is practicable, the Executive Vice President reviews the materials being careful to document any related meetings, conversations, consultations, etc. he may instigate to include in the file. The Executive Vice President then emails the grievant a final resolution in writing and copies the related department leader(s), the Assistant to the President, and the Student Success Advocate. This determination is binding on all parties.

REGISTRAR SERVICES

West Coast Baptist College offers its students a variety of academic resources through the office of the Registrar. These include transcript evaluation, transcript request, education verification, proof of enrollment, and CLEP and AP test policies.

Transcript Evaluation

Many students attended other higher education before coming to West Coast. Certain college credits may be applied to the degree a student is pursuing. The student may send his official transcript from another college to the Registrar. These credits will be evaluated and transferred in where applicable. No student should assume his previous credits will transfer, yet the Registrar seeks to transfer as many credits as possible. If mailed, transcripts should be addressed to West Coast Baptist College, Attention Registrar, 4010 E. Lancaster Blvd., Lancaster, CA 93535. Official digital transcripts may also be sent by email to registrar@wcbc.edu.

Transcript Request

Official transcript requests may be made by the student online at wcbc.edu/transcript-request. The student requesting a transcript should specify whether an official or an unofficial copy is needed. Our electronic transcript provider, Parchment Inc., will provide our official transcripts directly to the person or place designated at the time of the request. Please allow 5 business days for your request to be processed. If a transcript is required sooner than this, the student may pay for express delivery through Parchment. Parchment will charge an additional \$2.50 for international delivery. There will be a \$12.00 fee for each official transcript request. Unofficial transcripts may be requested by emailing registrar@wcbc.edu.

No transcript will be released if the student's account with the Finance Office shows a balance due.

Education Verification

A graduate seeking employment may need to verify his previous enrollment at WCBC. By request of the student or potential employer, the Registrar will submit a formal letter of verification for the student's previous enrollment. Please allow a minimum of 7 days to process this request and mail/email the letter.

Enrollment Verification

A current student may need to verify his current enrollment at WCBC for a variety of reasons. At the request of the student, the Registrar will provide a formal letter of verification for the student's current enrollment. Please allow a minimum of 7 days to process this request and mail/email the letter.

STUDENT COUNSELING

West Coast Baptist College is committed to helping its students succeed in their goal of graduating on time and without debt and serving after graduating in the ministry to which God has called them. To this end, the college provides academic, personal/spiritual, and career counseling to all of its students.

The college has a dedicated Student Success Advocate who is available to all students. The primary function of the Student Success Advocate is to shepherd struggling and temporarily withdrawn students to graduation. Two key functions the advocate provides are to listen to students to point them toward appropriate counsel and to provide appropriate, relevant feedback to the administration so as to improve the student body's graduation rate. Students may contact the Student Success Advocate in the Welcome Center at any time.

Academic Advising

In keeping with the mission of the institution, academic advising is provided to students to the end that they would experience an optimum academic schedule, smooth scope and sequence, and easy access to qualified and informed staff or faculty for questions regarding their programs. The Dean of Academics leads these advising services.

Every first-time student will be notified before registration week of the name and contact info of his advisor. If a student is unsure who his advisor is at any time or for any reasons, he may contact the Academic Office.

Career Counseling

All degree programs at West Coast Baptist College are geared to prepare students for full-time ministry. Career counseling that is appropriate to these programs is provided through the office of the Dean of Administrative Affairs. This office works to connect appropriate potential employers to our upperclassmen students by hosting an annual on-campus interview event, assisting students in the development and distribution of professional resumes, and connecting current students and graduates to ministries known to be hiring for relevant positions. These services are provided to all students regardless of their location or mode of delivery.

To receive this counseling and support, students should contact the Dean of Administrative Affairs at 888.694.9222.

Personal/Spiritual Counseling

Students are encouraged to take advantage of the open-door policy of the faculty, staff, and administration and to seek counsel from them on any subject. At least one member of the administration is always on campus during business hours to ensure availability of help for students at all times.

Financial Counseling

West Coast Baptist College offers its students a variety of financial aid resources including ongoing financial and employment counseling, a student employment program, several institutional scholarships, and direct support from the Student Assistance Fund. For more information, please refer to the information on Financial Aid beginning on page 55.

TRANSPORTATION

WCBC is happy to provide shuttles to and from Los Angeles International Airport (LAX) and Burbank Airport (BUR) at the beginning and end of each semester as well as during scheduled breaks. Prior to booking your flight, please check the shuttle schedule link at the bottom of wcbc.edu to find shuttle times in order to coordinate your flight to avoid extended wait times. Please keep in mind that the airport is two hours from campus. Riders can register and pay for their rides here as well. Additional information, including policies and pricing, may also be found on the website.

EARLY DORMITORY ARRIVALS POLICY

Dormitories are available to students who are currently enrolled or who have an accepted application for the next semester.

Students staying in the dorms during the break, arriving early, or leaving late, must gain approval from the Dean's Office.

Students will be charged the current off-semester rate for their residence in the dorms.

Students must comply with all policies and procedures as outlined in the Student Handbook and will be subject to any discipline for violation thereof.

New students coming to college for their first semester may arrive a maximum of three days prior to the official opening of the dorms. These students must gain approval from the Dean's Office of their early arrival two weeks prior to their arrival date. Transportation needs to the college must also be arranged two weeks in advance.

Students who are asked to arrive early for athletic competition, work study, etc., must comply with all policies and procedures written in the Student Handbook.

All students staying in the dormitories during non-academic days will attend all church services at Lancaster Baptist Church.

REASONABLE ACCOMMODATION POLICY

West Coast Baptist College will reasonably accommodate otherwise qualified individuals with a disability unless such accommodation would pose an undue hardship, or would result in a fundamental alteration in the nature of the service, program or activity, or in undue financial or administrative burdens.

Changes in teaching techniques occur continually as instructors discover new ways to aid handicapped students. The term “reasonable accommodation” is used in its general sense in this policy to apply to employees, students and visitors. Student requests for reasonable accommodation should be addressed to the Vice President of Student Affairs.

A student must self-identify as an individual with a disability during the application process and provide appropriate diagnostic information that substantiates the disability. The office of Student Affairs will then assess the impact of the disability on the student’s academic program and record the required academic accommodations in a memo to the instructor. All diagnostic information is confidential and therefore memos can be sent only at the student’s request.

Individuals who have complaints alleging discriminations based upon a disability may file them with the Director of Student Services.

**ADMISSIONS
INFORMATION**

GENERAL REQUIREMENTS

Admission Policies

The standards of scholarship and Christian faith at West Coast Baptist College require a review and evaluation of every applicant. All application forms must be filled out completely. Letters of recommendation, statement of salvation testimony, moral character, integrity, and academic records will be considered. No student will be considered for admission who does not follow the admissions procedures.

Non-Discriminatory Policy

West Coast Baptist College admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs. However, only persons who have a testimony of biblical salvation and have a sincere desire to serve Christ are eligible for admission.

Residency Requirements

Dormitories are provided for single students, under the age of 25, who are not living locally with parents. Students over 25 may seek living accommodations off-campus if they so choose.

WHEN TO APPLY

A prospective student may apply anytime. There is no application deadline date, but we encourage you to apply early to reserve your space. Please submit your application to the Admissions Office during your junior or senior year in high school. Once an application is received, it will be processed as soon as possible. No reservation is final until the prospective student completes all forms and receives an official letter of acceptance.

Each applicant must have the following to be considered for admission:

1. A high school diploma or GED. Home-schooled students must have proof of graduation.
2. Have taken either the SAT or ACT. Please have the scores sent directly to our college.

SAT College Code: 3717

ACT College Code: 0473

If you have had difficulty taking either of these tests, or if you have any questions about these procedures, please call the WCBC Director of Admissions.

3. Submit a pastor's recommendation and one personal reference.

Transfer students are accepted based on the following criteria:

1. All previous college transcripts are found to be satisfactory.
2. A statement of good standing both spiritually and financially from the prior institution is provided.
3. Any course grades under a “C” will not transfer for credit. Those credits will have to be made up.
4. If the student has fewer than 26 credit hours, he may be required to submit ACT or SAT scores.
5. ACT scores are used to place students in appropriate classes. For example, students scoring 17 or higher in the math section will have demonstrated proficiency, thereby waiving the math general education class.

EXAMINATIONS

The following examinations are given at the beginning of each academic year:

English Grammar Placement Test

This test is given to all freshmen (and transfer students who have not taken an English Grammar Course). The purpose of this test is to determine what level of English will best equip students for future work.

General Bible Knowledge Test

This test is given to all new students. The grade on this test does not affect class standing, nor which Bible classes the student is eligible to take. Rather, this test shows us each student’s strengths and weaknesses and allows the student to see progress over the course of studies at West Coast Baptist College.

INTERNATIONAL STUDENTS

Students whose native tongue is **not** English must take the TOEFL examination and have their scores sent to the Admissions team at West Coast Baptist College.

All international students should contact the Admissions team for information concerning the completion of the I-20 form. After the student receives his I-20 from WCBC, he must obtain an F-1 visa while still in his home country. However, students who are Canadian citizens are not required to obtain an F-1 visa.

International students must be able to establish their ability to pay tuition. Upon entering the U. S., the student should show his I-20 to the border official and secure receipt of an I-94 form. Questions concerning any of these international student issues should be addressed to the Admissions team.

INSURANCE

West Coast Baptist College strongly urges every student to be covered by some type of health insurance. Those who do not have health insurance will sign a waiver which releases the college of any liability.

All students with cars are required to provide proof of automobile insurance along with the proof of automobile registration and a valid driver's license.

CLEP, PEP, AND AP CREDIT

Some students may be interested in taking College Level Examination Program (CLEP), Proficiency Examination Program (PEP), or Advanced Placement Program (AP) examinations to avoid taking courses in subjects in which they already have adequate knowledge. Students interested in receiving credit at WCBC for CLEP, PEP, or AP examinations taken elsewhere should contact the Registrar regarding procedures and tuition charges.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) provides rights to students with respect to their educational records. The following is an overview of those rights.

What are FERPA rights?

Students have four primary rights under FERPA. They have the rights to inspect and review their education records, to maintain some control over the disclosure of information from those records, to seek to amend those records under certain circumstances, and to file a complaint with the U.S. Department of Education concerning alleged failures by West Coast Baptist College to comply with the requirements of FERPA.

To what do FERPA rights apply?

FERPA rights apply to education records, which are defined as records that are directly related to an individual student and are maintained by the educational institution or a third party acting on their behalf. Education records may exist in any medium, including but not limited to handwritten notes, printed information, computer files, or video and audio files. Education records may include grades, class lists, student course schedules, disciplinary records, student financial records, etc. Education records do not include "sole possession" records created by individual faculty or staff for their own personal use which are not shared with others, university law enforcement records, or medical health records used only for the treatment of the student. Education records also do not include general information such as academic calendars, course syllabi, or general notices of specific events or extracurricular activities. These would not be considered to apply to a specific individual student and thus would not be covered under FERPA.

Who has FERPA rights?

FERPA rights are held by the parents until the student turns 18 or enrolls in a postsecondary institution. At this point, all FERPA rights transfer completely to the student. The parent does not maintain any FERPA rights after this time. Thus, all students of West Coast Baptist College are in full possession of their own FERPA rights.

How may one exercise their FERPA rights?

Any student may seek to inspect their education records. Most of this information is readily available through the Student Portal (portal.wcbc.edu). Any other education records pertaining to the student will be made available within 30 days upon written request directed to the registrar, dean, associate dean of academic affairs, or other appropriate official.

Any student, while enrolled, may request that West Coast Baptist College not release any of his/her directory information. Directory information would include name, contact information, class level, major, date of attendance, enrollment status, verification of participation in recognized student activities, date of graduation, and degrees received. WCBC must comply with this request. Students who wish to restrict the release of their directory information must complete a "Request to Withhold Directory Information" form, available from the Registrar's Office. The student must personally submit this form to the Registrar's Office accompanied with a photo ID. Students will be required to renew the request within the first ten days of the semester. This information would then only be able to be allowed with written consent from the student, including specification of the information to be released, the purpose of the disclosure, identification of the parties to whom the disclosure may be made. Written consent must be signed and dated by the student. Written consent may be submitted through the student email system (@students.wcbc.edu), but not from a personal email account.

Withholding information may have negative consequences. Students who restrict their directory information will not appear in commencement bulletins, yearbooks, or other college publications. Any and all requests of information directed to the college, including those by potential employers, will be denied and will be told, "We have no information available about this person's attendance at West Coast Baptist College."

Any student may request the amendment of education records which the student believes are inaccurate. The written request must be directed to the appropriate official, clearly identify the part of the record they want changed, and specify why it is inaccurate. If West Coast Baptist College decides not to amend the record, it will notify the student of the decision and advise the student of the right to a hearing regarding the request for amendment. If the request for amendment is then denied upon a further hearing, the student will be given the opportunity to attach a personal statement to the record in question.

Any student may file a complaint with the U.S. Department of Education concerning alleged failures by West Coast Baptist College to comply with the requirements of FERPA. It is always advisable to attempt to address issues by notifying WCBC itself before notifying the U.S. Department of Education. Complaints may be directed to:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

Are there exceptions to these exercises of one's FERPA rights?

There are exceptions to the exercise of one's right to withhold disclosure of information. Necessary education records and directory information may be released to school officials with legitimate educational interests. School officials include faculty and staff, persons or companies with whom the college has contracted, trustees, and students serving on official committees or assisting other school officials with performing their professional tasks. A school official has a legitimate educational interest if the official needs to view the information in order to fulfill his professional responsibility. Student education records may also be released to a court in compliance with a judicial order or lawfully issued subpoena, to appropriate parties in a health or safety emergency in order to protect the student or others, to parents in cases of drug or alcohol violation when the student is under the age of 21, to the provider or creator of a record to verify the validity of that record (e.g. in cases of suspected fraud), or to officials at an institution in which the student seeks to enroll or is currently enrolled. General questions may be directed to the Registrar's Office.

VETERAN'S INFORMATION

WCBC is grateful for the men and women who have either served or are currently serving in our Armed Forces. The following pages will address the unique challenges common to our military students.

Military Service Evaluation

At no charge, WCBC will evaluate prior military experience, education, and training to award credit. This evaluation is non-appealable and will be based upon the recommendations of the American Council of Education (ACE) guidebook, *A Guide to the Evaluation of the Educational Experiences in the Armed Services*. Military applicants must submit their Joint Service Transcript (JST). Applicants must submit a copy of their DD-214, 2-1, 2A, or DD-295 for evaluation. Only undergraduate general education units can be awarded for military service.

WCBC will maintain a written record of this previous education and training. Once transcripts have been evaluated, applicants will be notified via email as to what credits have been granted.

Leave of Absence

A leave of absence is defined as an interruption in course progression due to a documented unforeseen circumstance with an approved reason and a documented intent to return to complete the educational program.

Requirements

- The student shall be responsible for submitting a written request to the Registrar requesting a leave of absence.
- The student submitting the request shall be currently enrolled in classes or enrolled during the last semester.
- The student shall have a history of performing satisfactorily on all course work as defined by the grade point scale set by the academic dean. The academic committee will review the academic progress as part of the determining factor in granting a leave.
- The student shall document a reasonable intent of returning to complete course of study. An expected date of return and a plan for completion of course work must be included.
- The request shall be made prior to the start date of the leave unless unforeseen circumstances arise. Written documentation and explanation of late application shall be submitted by the student to substantiate the late request.
- The leave of absence shall not exceed 180 days in any 12-month period. Though WCBC does not participate in Title IV, it follows this time element as outlined in Title IV regulations.

Reasons for Approved Leave of Absences

- Illness (personal or close family member)
- Death in family
- Birth of baby (or similar situations covered by the Family and Medical Leave Act, 1993)
- Financial difficulty
- Military duty
- Jury duty
- Other circumstances as approved by the Academic Committee

All other absences will be considered an unapproved leave of absence. Unapproved absences will be treated as a withdrawal, and the proper withdrawal procedures shall be activated.

Procedure***Approval Process***

1. The Academic Committee shall approve the leave of absence within five (5) business days of the written request.
2. The committee shall consist of the Registrar, Director of Admissions, Academic Dean, the Executive Vice-President (or his designee), and the Department Chair from which the student is enrolled.
3. Special attention shall be focused on the ability of the student to complete the course work. A leave of absence provides that the student shall be able to complete their course progression. If a student is requesting a mid-semester leave of absence, then the course faculty must first approve the request. If the faculty approve, the Academic Committee will then be convened.
4. The Registrar will notify the following departments with the results of the request:
 - a. Financial and Business Office
 - b. Dean's Office
 - c. Faculty
 - d. Student academic advisor

Failure to Return

Failure to return from an approved leave of absence shall be considered a withdrawal. The withdrawal date shall reflect the start date of the leave of absence even though the leave was approved. The withdrawal policy shall be implemented.

Unsatisfactory Progress

A student whose term WCBC grade point average falls below a 2.0 will be advised on his current standing and the results that will ensue if satisfactory progress is not maintained. For purposes of this policy, the following table provides the relevant information:

Class Standing	Credit Hours Earned	Cumulative GPA Warning	CumGPA Probation / Suspension / Dismissal
Freshman	0-32	1.50-1.99	0.00-1.49
Sophomore	33-64	1.70-1.99	0.00-1.69
Junior	65-95	1.80-1.99	0.00-1.79
Senior	96+	1.90-1.99	0.00-1.89

A student whose cumulative WCBC GPA falls below 2.0 at the end of the semester will be placed on academic warning, unless the student's GPA falls in the probation / suspension / dismissal range. If the student's GPA is in the probation / suspension / dismissal range, the student will be:

1. Placed on PROBATION if the student has attempted fewer than 12 credit hours at WCBC (or, if the student is in this range for the first time).
2. Placed on SUSPENSION if the student has attempted more than 12 credit hours at WCBC, and if the student has been placed on probation in any previous semester.
3. DISMISSED if the student has attempted more than 12 credit hours at WCBC, and has been placed on suspension in any previous semester.

Students who are not in good academic standing may not transfer credits from another institution until they have returned to good standing. Courses taken at another institution may not be used to improve a student's GPA at WCBC.

Description

- Academic Warning
 - Student will be allowed limited enrollment in the next term of 12-14 credit-hours.
 - Student under academic warning is expected to seek advice from his academic advisor as well as the Learning Resources Director at the library.
 - Student is expected to increase attention to academic activities and decrease hours committed to non-academic activities.
- Academic Probation
 - Student will be allowed limited enrollment in the next term of 12 credit hours.
 - Student is not allowed two consecutive semesters under academic probation.
 - Student who does not improve CumGPA to at least the warning range will be placed on academic suspension if they have attempted more than 12 credit hours at WCBC.
 - It should be remembered that teams, clubs, and other student organizations have the right to use academic standards to limit participation in their organization.
- Academic Suspension
 - A student under academic suspension for the first time may not enroll at WCBC for one semester (Fall, Spring).

- A student who falls under academic suspension a second time may not enroll at WCBC for two consecutive semesters (Fall, Spring).
- Once re-enrolled, a student will be limited to 12 credit hours until the cumulative GPA is raised to 2.0 or higher.
- If student is receiving funding and that organization requires academic reporting, that entity will be notified within 15 business days of the student's suspension, when it started, and when student may return.
- Academic Dismissal
 - Once a student has been academically suspended twice, he will be dismissed from the college if his CumGPA hits the probation / suspension / dismissal range a third time.
 - Once academically dismissed, a student may not reenroll for a period of two years.
 - A student who reenrolls after an academic dismissal will be under the current catalog's requirements in which he reenrolls.

Reinstatement

Written Appeal

- If a student believes that his academic suspension or probation was unjust based on extenuating circumstances, he has the right to submit a written appeal to the academic committee within 10 business days.
- If a student's appeal is successful, he will be allowed to continue his enrollment with no restriction.

Academic Penalty Observed

- Upon observing the penalty incurred, a student may be reinstated to his academic program.
- Student will be on notice that his CumGPA must still be raised higher than a 2.0 before he may participate in graduation from the program.
- WCBC, upon noting that the conditions have been met, will work with the student to enroll into the appropriate courses and chart out a course for completion of the program.

Procedure

Approval Process

1. The Academic Committee shall approve the leave of absence within five (5) business days of the written request.
2. The committee shall consist of the Registrar, Director of Admissions, Academic Dean, the Executive Vice-President (or his designee), and the Department Chair from which the student is enrolled.

3. Special attention shall be focused on the ability of the student to complete the course work. A leave of absence provides that the student shall be able to complete their course progression. If a student is requesting a mid-semester leave of absence, then the course faculty must first approve the request. If the faculty approve, the Academic Committee will then be convened.
4. The Registrar will notify the following departments with the results of the request:
 - a. Financial and Business Office
 - b. Dean's Office
 - c. Faculty
 - d. Student academic advisor

Failure to Return

Failure to return from an approved leave of absence shall be considered a withdrawal. The withdrawal date shall reflect the start date of the leave of absence even though the leave was approved. The withdrawal policy shall be implemented.

ACADEMIC INFORMATION

DEFINITIONS

Definition of a Good Standing Student

West Coast Baptist College defines a student in “good standing” as a combination of the following components:

1. The undergraduate student shall maintain both a term and a cumulative grade point average of at least a 2.0 (graduate students shall maintain at least a 3.0)
2. The student will be making satisfactory progress in his degree program
3. The student will not be in violation of the student conduct code explained in the student handbook
4. The student will be current in his financial obligations to the institution

Definition of a Credit Hour

At West Coast Baptist College, academic credit is measured in semester hours. A semester hour represents the equivalent of at least one class period of 50 minutes per week for 14 weeks, not including final exams. Students are expected to spend approximately two hours outside of the classroom for each hour in the classroom (or its equivalent).

ACADEMIC CLASSIFICATION

Non-Degree Students

Any student attending West Coast Baptist College for his own benefit and not working toward a degree

Part-Time Students

Any student taking fewer than 12 credit hours

Full-Time Students

Any student enrolled in 12 or more credit hours (Full-time status is required for dormitory students)

CLASS STANDING

Freshman

A freshman is a student who has satisfied entrance requirements and who has completed fewer than 32 credit hours.

Sophomore

A sophomore is a student who has completed at least 32 credit hours but fewer than 64 credit hours.

Junior

A junior is a student who has completed at least 64 credit hours but fewer than 96 credit hours.

Senior

A senior is a student who has completed at least 96 credit hours.

ATTENDANCE

Believing that an education at West Coast Baptist College will prepare students for the ministry, we place a high importance on being in the classroom consistently. The ministry does not need more workers who will answer the call “when they feel like it” or who will rise up early to pray “if it is convenient.” Consequently, slothful attitudes toward attending classes are not allowed. When you miss an accumulation of 10% of a class (either by missing whole class periods or missing minutes by coming late or leaving early), you will receive an alert in your student portal warning you that you are in danger of failing a class. When you miss 15% of a class, you will be automatically dropped from the roster and receive a “W” for the course.

An absence from class is not considered a reason for not submitting coursework. Often, these can be submitted through the institution’s LMS, Canvas, without the student being physically present. At a very minimum, these can be emailed to an instructor during your absence. The official policy of the institution is no late work is accepted.

If a student misses a test or quiz with an approved absence, that student will have 48 hours to make that up. If, within 48 hours, a test or quiz is not made up, it will be recorded as a zero.

NOTE: Students who miss an assignment will not be able to make up that work. No grade will be awarded for late work.

EXAMINATIONS

The following examinations are given during the academic year:

1. **Oral Examinations**—The “orals” are given to our graduating men during their last two semesters. The purpose of these oral examinations is to ascertain if our graduates can successfully defend their doctrinal statements and be prepared for the pressures they will face in the ministry.
2. **Midterm Examinations**—During the mid-point of each semester, each course has a midterm examination. Students must have the bill current in order to receive the financial approval card for the exams.
3. **Final Examinations**—These examinations are given at the end of each semester. At the time of these examinations, all course work should be completed. Under normal circumstances, a student who fails to take the examination at the scheduled time will not be

allowed to take the examination later. If, however, the student gains both his instructor's and the Associate Dean of Academic Affairs's approval and pays the late examination fee, he may make up the examination. Any student missing an examination due to financial reasons will have until the first week of the next semester to make up the exam. If at that time the test has not been taken, the student will receive an "F" for that examination, and his grade will be averaged accordingly.

DROP/ADD/WITHDRAW

Each student chooses his classes under the counsel of the faculty advisor. The classes that students take each semester have been charted with the end in mind. Because of this, class withdrawals should be rare. If, however, a student feels that he cannot complete all the work he has in one semester, he may drop a class during the first week of school. The procedure to drop (or add) a class is as such:

1. The student consults with his faculty advisor.
2. The student seeks the counsel of the instructor.
3. The student withdraws from his class through the student portal.
4. The student then notifies his professor after the change has been approved.

NOTE: When a student chooses to drop a class that is in his major, he is taking a chance that it will be offered during a later date without any conflicts with other required classes. Any class that is dropped after the first week or that is not dropped according to procedure, will be recorded as an "F" on the transcript.

TRANSFER CREDIT POLICY

For incoming students who have completed credits from another institution, WCBC will evaluate those transcripts and help students transfer as many classes that can be used in the corresponding WCBC degree program.

From time to time, students who have taken lighter loads will desire to get back on pace. In these situations, a current student seeks to do extra-curricular work.

As a general rule, correspondence credits are not acceptable for a degree. It is our desire that our students would capture the heartbeat of West Coast Baptist College. WCBC offers 40 classes through online learning that duplicates what is learned in the traditional classroom. Students may seek permission from the Registrar to use these classes to help stay on track. The following guidelines should be observed:

1. No student shall exceed more than 9 hours of correspondence credit.
2. Any classes being taken through correspondence (or video) during the semester will count toward the student’s academic load.

On certain occasions, a student may wish to take classes for transfer from junior colleges or other institutions during the summer. These courses will only be transferred if the student has received advanced approval from the Associate Dean of Academic Affairs. The courses under consideration must be equivalent to those offered at West Coast Baptist College and not be offered online through WCBC.

GRADING SYSTEM

Grades are issued online through the student’s portal and through Canvas. Here, a student can track his progress throughout the semester. Final grades are then placed on the student’s academic transcript.

West Coast Baptist College operates on a 4.00 grading system. A distinction is made between a minus (-) and a plus (+) grade. The grading system for all students is as follows:

Grade	Quality Points
A—Superior	4
B—Above Average	3
C—Average	2
D—Passing	1
F—Failing	0

Other codes that may appear on the grade report and/or the transcript are:

INC..... Incomplete	AUD..... Audit
W..... Withdraw	PROF..... Proficiency
P..... Passed	

The grading scale for West Coast Baptist College students is as follows:

A..... 96–100%	C..... 77–83
A-..... 94–95	C-..... 75–76
B+..... 91–93	D+..... 73–74
B..... 88–90	D..... 68–72
B-..... 86–87	D-..... 66–67
C+..... 84–85	F..... 65 and below

Repeating a Course

A student may repeat a course, if he fails it, upon approval of the Administration. A repeated course will be clearly recorded on the student's transcript followed by the grade awarded by the instructor.

STUDENT ACADEMIC LOAD

West Coast Baptist College has always been more interested in graduates than students. We are not after the professional student—on the contrary, we are endeavoring to send equipped workers into the fields of the world. Our classes are designed so that a student who takes 16 credit hours each semester will graduate in four years. A full-time student is one who has at least 12 credit hours during a semester. No student is allowed to take more than 21 credit hours during a semester (this would include correspondence credit as well). Student academic loads are determined on the following basis:

Previous Semester GPA	Credit Limit
0.00-1.99	14 credits
2.00-2.49	17 credits
2.50-3.29	18 credits
3.30-4.00	21 credits

High school transcripts will be used to determine the academic load for new freshmen. A student with at least a 2.50 high school GPA will be allowed to register for a maximum of 18 credit hours for their first semester.

HONORS

West Coast Baptist College encourages its students to strive for excellence in everything that they do. We believe that whatsoever our hand findeth to do, we should do it with all our might. One area in which excellence is maintained is in the area of academics and study. To qualify for the following honors, a student must complete a minimum of 15 credit hours and have no grade below a "B."

President's List	3.90-4.00
Dean's List	3.75-3.89
Honor Roll	3.50-3.74

In addition to these honors, members of the senior class may graduate with honors on the basis of their entire collegiate records.

Summa Cum Laude	3.90-4.00
Magna Cum Laude	3.75-3.89
Cum Laude	3.50-3.74

Graduating Master's students may graduate with honors if they received a total GPA of 3.75 or higher throughout their graduate studies.

GRADUATION REQUIREMENTS

The administration and faculty must approve of all graduation candidates. The following guidelines have been established to be considered for graduation:

- Each candidate must have displayed consistent Christian character and conduct.
- Graduates must complete the Petition for Graduation Form in the Academic office.
- Each candidate must have a minimum grade point average of 2.0.
- All secondary education majors must receive a C+ in the core classes for their specific proficiencies and in required courses designated with ED.
- All elementary education majors must receive a C+ in the core classes for their proficiency. These courses include any Teaching Of courses or courses designated with ED.
- Each candidate must successfully complete the catalog course requirements as listed in the catalog at the time of his initial enrollment.
- If a candidate stays out of the college for at least one semester, he must successfully complete the catalog course requirements as listed in the catalog at the time of his final re-enrollment.
- All financial obligations must be satisfied before a degree will be awarded.

- Women must complete a written theological examination.
- Graduates must complete at least 25% of their program through West Coast Baptist College.
- Graduates must have completed at least 128 credit hours in order to graduate with a bachelor's degree.
- During a student's final year, his course schedule must be approved through the registrar's office.
- For students walking in the graduation ceremony, graduation practice is mandatory.

COURSE NUMBERING SYSTEM

In general, 100-level courses are taken during the freshman year, and 200-level courses are taken during the sophomore year. Freshman and sophomore students are not encouraged to take 400-level classes.

Miscellaneous Costs

Laundry, textbooks, school supplies, personal supplies, and incidental totals will depend on the individual student.

APPLICATION OF PAYMENTS

Payments will be applied to student accounts in the following order: first, to outstanding late fee(s); second, to past due invoices; and third, to current invoices.

Payment Procedure

The expenses of room, board, fees, and tuition for the college semester must be paid for by the semester. A student should not plan to enroll who does not have a minimum of twenty percent of the total balance at the time of financial registration. Prior to mid-term examinations, a minimum of forty percent of the total balance must be paid or the student may be asked to withdraw, and no credit for classes will be given. Prior to final examinations, all student balances must be paid in full. Students unable to take finals due to financial balances must remain on campus and attend all functions. As soon as the balance is paid off, the student may take his or her examinations. Students may re-enroll for the following semester only if the previous balance has been paid off and examinations have been taken before the end of registration week of the new semester.

The WCBC payment plan is based on five payments of twenty percent of the total due for the semester, the first payment being due at registration. It is essential that all accounts be paid on time. WCBC receives no government funds or assistance from state or denominational sources, thus the college depends upon regular income to cover the cost of faculty, staff, and operating expenses.

To meet the additional expenses of bookkeeping and collection, additional charges must be imposed when accounts are not paid on the day they are due. All past-due accounts will be assessed a late charge in the amount of \$20.00 per payment. A \$35.00 charge will apply to any check returned by the bank.

Payment

Student accounts may be paid by cash, check, money order, debit, Visa, MasterCard, American Express, or Discover Card. An authorization form is available for students to have charges placed on their credit card. It may be obtained from the Financial Office. Credit card payments may also be made online at wcbc.edu.

Full-Payment Discount

For full-time, non-scholarship recipient students able to pay their bill in full at registration, a \$100.00 credit will be applied to their tuition charges for the semester. Full-time students who receive a scholarship will receive a \$50.00 credit for paying their bill in full at registration. This discount is available for both Fall and Spring semesters. It is not available for the online program. Students must complete the semester to earn the discount.

Post-Dated Checks

Post-dated checks are not accepted and will not prevent a late fee from being assessed.

TUITION AND FEES REFUND POLICY

1. 100% refund if withdrawn in the first two weeks.
2. Withdrawal between weeks 3 and 9, the refund will be calculated on a pro rata basis (**e.g., a student withdrawing in week 7 would receive a 50% refund**).
3. No refund is given after week 9.
4. This illustration is based on a 14-week semester schedule.
5. Room and Board Fees will be refunded entirely on a pro rata basis.
6. See fee descriptions for non-refundable fees.

CANCELLATION AND WITHDRAWAL POLICIES

After a student has enrolled for a semester at West Coast Baptist College (WCBC), any action that would cause the student to leave college before completing the semester, whether voluntary or involuntary, will be considered a withdrawal. These are the guidelines that govern withdrawals:

1. To withdraw from the college with official approval, a student must have a Withdrawal Form properly executed by the Dean's office.

2. A student whose withdrawal is officially approved and whose departure is after the end of the first two weeks of classes (including the drop/add week) will owe tuition and fees for the semester according to the following schedule:
 - a. Withdrawal during the first two weeks (**full refund**)
 - b. Withdrawal between the third and ninth week (**prorated refund**)
 - c. Withdrawal after the ninth week (**no refunds**)
3. A student who leaves the college without officially withdrawing will be liable for the full tuition and all fees.

Students must complete the semester to earn any scholarship or discount that they have been awarded. Withdrawals prior to the end of the semester will result in the loss of the entire scholarship or discount.

If the student is a dorm resident and withdraws, the student will owe room and board charges at a pro-rated amount based on their length of stay.

Charges and Fees

The purpose for each fee and charge is fully explained on page 60. Fees charged directly through the enrollment process are listed on page 60. College Administration reserves the right to modify fees at any time. Fees and expenses not charged directly through the enrollment process include, but are not limited to: job shuttle fares, vehicle registration fees, books, class supplies and materials (e.g., notes, paper, folders, pens, etc.). These items are available through the college offices and/or the Campus Bookstore. The need for these items varies widely from student to student and is beyond the scope of the standard enrollment process.

TRANSCRIPTS

Official transcript requests may be made by the student online at wbc.edu/transcript-request. The student requesting a transcript should specify whether an official or an unofficial copy is needed. Our electronic transcript provider, Parchment Inc., will provide our official transcripts directly to the person or place designated at the time of the request. Please allow 5 business days for your request to be processed. If a transcript is required sooner than this, the student may pay for express delivery through Parchment. Parchment will charge an additional \$2.50 for international delivery. There will be a \$12.00 fee for each official transcript request. Unofficial transcripts may be requested by emailing registrar@wbc.edu.

No transcript will be released if the student's account with the Finance Office shows a balance due.

To apply for a position, students must submit the application available at wbc.edu/work-study-application.

Student Assistance Fund

To request support, students should download, print, and complete the Application for Student Assistance available on the student portal and submit the completed form to the Office of Financial Aid.

COURSES OF STUDY

OVERVIEW

West Coast Baptist College has three undergraduate and three graduate programs, each designed to equip the student to fulfill the mission of training laborers for His harvest. Each of these will focus on developing the student in areas that are specific to his chosen field. Along with this, each undergraduate program, which can only be completed on campus, has a core requirement of thirty-six credits in general education. For a listing of the general education requirements, see page 94.

BIBLE PROGRAM

As a Bible college, each undergraduate student majors in Bible. This program provides the foundation for equipping students to effectively fulfill God's purpose in their lives. Beyond the thirty-six core Bible credits, students may also choose a ministry concentration. Each concentration is designed to prepare students to effectively serve in a local church. The student who graduates from the Bible program shall be able to:

1. Demonstrate an accurate knowledge of the Bible. (2 Timothy 2:15)
2. Utilize significant interpretative data regarding historical, geographical, cultural, theological background, and themes of the Scriptures.
3. Articulate the historic Baptist faith and distinctives.
4. Communicate God's Truth lovingly and effectively to believers and unbelievers.

One Year Bible

The one year Bible certificate is designed for those students who are not certain of God's will but still want at least one year of Bible college. These classes are the heart of our Bible department and will equip the student with the tools that are needed to adequately know what the Bible teaches. Each of these classes also transfer into any four-year degree program at West Coast Baptist College should God lead the student to further his training. The pages that follow include a prescribed sequence of course study for each emphasis in this concentration. The student who graduates from the music department shall be able to:

1. Display competence in general musicianship
2. Demonstrate proficiency in an applied musical area

**ON CAMPUS GRADUATE
STUDIES**

HYBRID LEARNING

Whether you are just finishing a bachelor program or have been involved in ministry for decades, the Masters in Religious Education at West Coast Baptist College can help you take the next step in your academic preparation.

The MRE is a 33 hour program with concentrations in Biblical Studies, Christian Education, or Church Music. The program utilizes technology to allow learning to take place either in the class room, or online. Regardless of the delivery mode you choose, you will enjoy the sharpening influence of the entire cohort. An accelerated track where students may finish in one year by taking no more than three classes at a time is available for both the Biblical Studies and Christian Education concentrations. Regardless of the concentration, each student will take 5 core classes (15 credits) and then 18 credits in their field.

Most classes will run for 7-weeks, with only a few exceptions. If you have access to a decent computer, you can access the internet, and you have a desire to learn—then you have what it takes to enroll in the masters' program.

ON CAMPUS GRADUATE STUDIES

The purpose of the West Coast Baptist College master's program is to provide students with an deeper level of learning without losing a zeal for practical ministry. The curriculum places a greater burden on the student to research the subject matter so as to better equip him for the ministry. Classes will meet weekly whether online or on campus.

If you are taking this course on campus, the tuition and room and board costs will be identical to the cost of the undergraduate program for the normal load of 12–18 hours. The same fees will apply to this program, and books must be purchased separately. If you are taking these courses online, then you will pay the \$245 per credit hour as well as a technology fee of \$75.00 per course. Refer to the Online Graduate section of this catalog.

An undergraduate degree from an approved college is a prerequisite for entrance into this program. To enroll in this program, an application must be submitted to the Admissions office. Students who are seniors at West Coast Baptist College in the undergraduate program may begin to work on their Master's degree during their senior year if their schedule permits, and they are approved by the Administration. Candidates for each master's program must have a minimum GPA of 3.0 in order to fulfill the requirement for graduation.

APPLICATION OF PAYMENTS

Payments will be applied to student accounts in the following order: first, to outstanding late fee(s); second, to past due invoices; and third, to current invoices.

Payment Procedure

The expenses of room, board, fees, and tuition for the college semester must be paid for by the semester. A student should not plan to enroll who does not have a minimum of twenty percent of the total balance at the time of financial registration. Prior to mid-term examinations, a minimum of forty percent of the total balance must be paid or the student may be asked to withdraw, and no credit for classes will be given. Prior to final examinations, all student balances must be paid in full. Students unable to take finals due to financial balances must remain on campus and attend all functions. As soon as the balance is paid off, the student may take his or her examinations. Students may re-enroll for the following semester only if the previous balance has been paid off and examinations have been taken before the end of registration week of the new semester.

The WCBC payment plan is based on five payments of twenty percent of the total due for the semester, the first payment being due at registration. It is essential that all accounts be paid on time. WCBC receives no government funds or assistance from state or denominational sources, thus the college depends upon regular income to cover the cost of faculty, staff, and operating expenses. To meet the additional expenses of bookkeeping and collection, additional charges must be imposed when accounts are not paid on the day they are due. All past-due accounts will be assessed a late charge in the amount of \$20.00 per payment. A \$35.00 charge will apply to any check returned by the bank.

Payment

Student accounts may be paid by cash, check, money order, debit, Visa, MasterCard, American Express, or Discover Card. An authorization form is available for students to have charges placed on their credit card. It may be obtained from the Financial Office. Credit card payments may also be made online at wcbc.edu.

Full-Payment Discount

For full-time, non-scholarship recipient students able to pay their bill in full at registration, a \$100.00 credit will be applied to their tuition charges for the semester. This discount is available for both Fall and Spring semesters. It is not available for the online program. Students must complete the semester to earn the discount.

Post-Dated Checks

Post-dated checks are not accepted and will not prevent a late fee from being assessed.

TUITION AND FEES REFUND POLICY

1. 100% refund if withdrawn in the first week of class.
2. Withdrawal between weeks 2 and 4, the refund will be calculated on a pro rata basis (**e.g., a student withdrawing in week 3 would receive a 43% refund**).
3. No refund is given after week 4.
4. This illustration is based on a 7-week semester schedule. (The refund policy for a 14-week semester schedule would include a 100% refund for withdrawal in the first two weeks and a pro rata refund for withdrawals between weeks 3 and 9.)

1. To withdraw from the college with official approval, a student must have a Withdrawal Form properly executed by the Dean's office.
2. A student whose withdrawal is officially approved and whose departure is after the end of the first two weeks of classes (including the drop/add week) will owe tuition and fees for the semester according to the following schedule:

3. A student who leaves the college without officially withdrawing will be liable for the full tuition and all fees.

Students must complete the semester to earn any discount that they have been awarded. Withdrawals prior to the end of the semester will result in the loss of the entire discount.

If the student is a dorm resident and withdraws, the student will owe room and board charges at a pro-rated amount based on their length of stay.

Charges and Fees

The purpose for each fee and charge is fully explained on page 60. Fees charged directly through the enrollment process are listed on page 60. College Administration reserves the right to modify fees at any time. Fees and expenses not charged directly through the enrollment process include, but are not limited to: job shuttle fares, vehicle registration fees, books, class supplies and materials (e.g., notes, paper, folders, pens, etc.). These items are available through the college offices and/or the Campus Bookstore. This course introduces the basic philosophy, principles, and objectives in developing a Bible-based local church youth ministry. This course will review various options for ministering to youth, including camps, Sunday school, retreats, and youth evangelism.

- YM 113 Event Evangelism 2**
This course is designed to show students how to complement their door-to-door soulwinning efforts with special events for evangelism. Students will learn how to organize a vacation Bible school, a bus ministry, a youth camp, and special “big day” events at a local church. This course can be substituted for PT 112 Advanced Evangelism.
- YM 201 Youth Outreach 2**
This class is designed to help the youth pastor develop a strategy for reaching teens in his area. It will include a study of different methods for outreach as well.
- YM 202 Youth/Parent Counseling 2**
This class is designed to train youth pastors, youth pastor’s wives and teen workers with the ability to counsel both the teen and parent in difficult situations.
- YM 210 Relationships and Ministry 2**
This course will instruct the student in practical and biblical ways to “Live peaceably with all men.” (Romans 12:18) Steps will be given to equip saints to fulfill the Lord’s joy “That ye be likeminded, having the same love, being of one accord, of one mind...” (Philippians 2:2) in ministry. Furthermore, the student will be able to understand in a relational way what it means to have the mind of Christ. In the trenches of ministry, interpersonal relationships with fellow laborers are imperative. This class will give principles of communication, correction, and compassion that will make a difference in their calling. If teamwork makes the dream work, this class is the “how to” on teamwork.
- YM 313 Christian Camping and Retreats 2**
This course is designed for those taking the Youth Minor. This course will deal with how to organize, plan and staff the Summer Camp program, the different retreats for teens, and a missions trip. This class will deal with the philosophy, the practical, and the legal ramifications that are necessary for ministry in the twenty-first century.
- YM 401 The Assistant Pastor 3**
This class is designed to teach young men practical ways to help the senior pastor. In addition, Bible characters who played “second fiddle” are studied. (Ladies with a youth minor may substitute The Pastor’s Wife for this class.)
- YM 403 The Effective Youth Pastor 2**
This course is designed to train aspiring youth pastors in practical areas of youth ministry. A balanced approach to youth work will be taught emphasizing preaching, activities, and Christian service.
- YM 410 Youth Work Administration 2**
This course introduces the basic principles and methods in building a youth ministry team that will bring glory to God.

CAMPUS FACILITIES

Heritage I & II

Heritage I and II are the newest dormitories on our campus. They honor the memory of some of the long time members of Lancaster Baptist Church who have sacrificed in order to provide a place for young people to train. Each of the Heritage Halls contain kitchen and laundry facilities, vending machines and will house approximately seventy-two students.

Lawrence Hall

Lawrence Hall is the newest of the three large dormitories which share the same floor plan here on the West Coast campus. It is named after Mark Lawrence, a pastor and soulwinner from Oregon. Lawrence Hall is identical to Martin Hall.

Lori Thomasson Hall

Lori Thomasson Hall is named after a former staff member from Lancaster Baptist Church whom the Lord called home. This two-story dormitory has phones in every room with voice mail capability and a bathroom for every bedroom. It also has laundry facilities and kitchenettes on both floors. The entry area is decorated beautifully with couches and chairs and provides a place for relaxation for the residents.

Malone Hall

Malone Hall was the first two-story dormitory built on the campus of West Coast Baptist College. It is named in honor of Dr. Tom Malone, one of America's best known and beloved Baptist preachers. This newly refurbished dormitory has vending machines, a kitchen facility, laundry facilities and a comfortable lobby area with couches. Malone Hall will comfortably house approximately seventy-two students.

Martin Hall

Martin Hall is named after Dr. Rick Martin, missionary to the Philippines. This dormitory features individual phones with voice mail in every room, private baths for each bedroom, laundry facilities, two kitchens, and a study desk with a bookshelf in every room.

Sisk Hall

Sisk Hall is named after Dr. Don Sisk, General Director Emeritus and President Emeritus of Baptist International Missions, Incorporated. This dormitory has laundry facilities, individual phones with voice mail in every room, private baths for every bedroom, as well as snack and soda machines. This fully landscaped dorm is adjacent to a beautiful, flowing fountain.

Athletic Fields

Our lighted athletic fields provide a wonderful place for our students to exercise in the morning and evening hours. This field features acres of grass and serves as a place for softball games, our turkey bowl football game, and many other evening activities.

Campus Bookstore and Great Awakening Coffee Shop

Since the completion of the Revels Building, one of the social hubs of our campus has been the Campus Bookstore and Great Awakening Coffee Shop. The comfortable leather chairs and delicious aroma of fresh-brewed coffee have made this the “Campus Central.”

Fitness Center

State-of-the-art equipment is provided for both cardiovascular and strength training in separate men’s and women’s fitness centers.

Hole-y Land Miniature Golf Course

To the west of our sand volleyball courts is the newest recreational addition to the campus of West Coast Baptist College. Students enjoy fellowship while playing miniature golf at our beautiful 9-hole course.

Library

The number of volumes in our library continue to grow each year. Our entire book collection is on a computerized retrieval system and is more accessible to students than ever before.

Revels Building

The Revels Building has twenty-one classrooms that are all fully equipped with multimedia capability as well as having the additional bonus of natural light for every classroom except two. The building also includes a state-of-the-art science lab, home economics lab, piano lab, two computer labs, and media lab.

One of the favorite places in the Revels Building for music students is the soundproof practice rooms located on the second floor. Each of these has a piano and is large enough to provide a practice room for a small ensemble.

Sand Volleyball Courts

Adjacent to our athletic field are two sand volleyball courts. These courts are one of the most used facilities on the campus. Students play volleyball as well as other sports while enjoying the beautiful high desert weather.

Student Life Center

The Student Life Center is a multipurpose building that serves as a cafeteria for serving meals and a gymnasium for our growing sports program.

West Wing

In addition to being used for the Sunday school and teen programs at Lancaster Baptist Church, the West Wing expansion of our Main Auditorium supplies 8 classrooms with seating for over 350 students. Clean, quiet, and well-lit rooms provide an optimal learning environment for our students.

Walther Center

The Walther Center is a state-of-the-art gymnasium and event center featuring expanded educational space while providing a much-needed center for activities, conferences, and athletic events. This 54,000 square foot facility is the largest construction project our ministry has undertaken, and it is our prayer that God will use this building for His glory as young men and women are trained for the ministry.

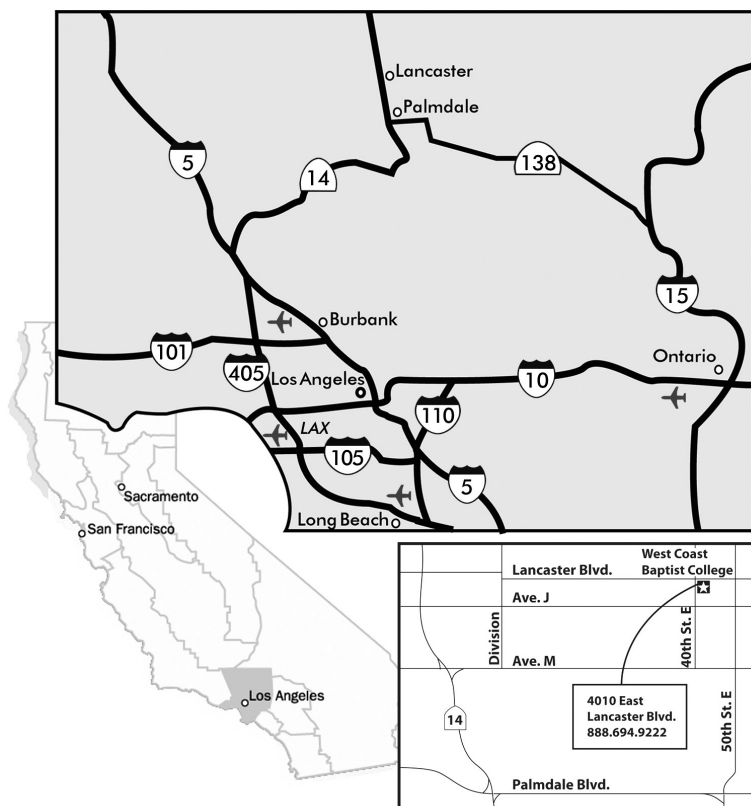

The Point Restaurant

The Point is a full-service restaurant located in the Walther Center.

The Hangar

The Hangar is a social fellowship space located in the Walther Center.

ADDENDUM

CREATIVE ARTS PROGRAM

The Creative Arts program exists to equip ministry leaders to inspire, innovate, and influence for the cause of Christ. Innovative problem-solving, creativity, and visual communication through visual and performing arts are key components of this training. The Creative Arts program is designed exclusively to support projects and requirements unique to Christian ministry including graphic and interactive design, photography and video production, and speech and performing arts—all with a distinct ministry focus. Biblical studies also constitutes a significant portion of the program to equip students to apply their education in practical ministry functions. The student who graduates from the Creative Arts department shall be able to:

1. Articulate a biblical philosophy of the application of creative arts in ministry
2. Display competency in applied visual or auditory communicative skills in a chosen discipline
3. Perform research and develop innovative solutions in a chosen discipline within visual or performing arts
4. Create original works applicable to a chosen field of visual or performing arts by utilizing the creative process and workflow

Visual Arts Concentration

Bachelor of Religious Education Degree in Visual Arts

The Visual Arts concentration is for those who want to serve the Lord in ministry staff positions and to support the senior pastor by communicating the gospel and his vision through visual arts and creative media. Specific disciplines of study incorporated within this concentration include creativity, graphic design, interactive design, photography, and video production—each specifically applied to local church ministry. Practicums and internships provide opportunities for practical, hands-on experience and prepare the student for a wide range of ministry applications of visual arts.

Specific Concentration Requirements for Visual Arts:

1. Six credits of visual arts lab/practicum in applied design or visual/media production in alignment with the student's visual arts discipline
2. Three credits earned through a supervised visual arts internship with an approved ministry
3. Successful completion of a comprehensive visual arts portfolio of recent ministry-related design and visual/media production work in an acceptable presentation format.

Total Credits: 128

Bible Credits (including core): 44. General Education Credits: 30. Concentration-specific courses: 50. General Electives: 4.
